

Compact Trolley Jack - 2 Tonne

A compact, short chassis, trolley jack, with a 2 tonne lifting capacity, suitable for use on cars and light-duty commercial vehicles. It features a lifting range from 130mm to 330mm, has a removable pumping handle, and is fitted with a carry handle for ease of transportation. Suitable for use by the home or professional mechanic, with its small size and light weight making it ideal for use by a mobile mechanic or as an emergency mobile jack.
